

preparations or products for internal human use or consumption where any of the alcohol or the denaturants used in that alcohol remain in the finished product.

(c) Persons distributing and using (but not recovering for reuse) completely denatured alcohol are not required to obtain a permit or file a bond under this part.

(d) Any person recovering completely denatured alcohol for reuse shall obtain a permit under subpart D of this part if the recovered alcohol does not contain all of the original denaturants of the completely denatured alcohol.

(e) Containers of products manufactured with completely denatured alcohol (such as proprietary antifreeze solutions, solvents, thinners, and lacquers) may not be branded as completely denatured alcohol. These products may not be advertised, shipped, sold, or offered for sale as completely denatured alcohol.

§ 20.142 Records of bulk conveyances.

If completely denatured alcohol is to be shipped in a bulk conveyance, the shipment shall be accompanied by a record which identifies each car, truck, or compartment, the name and location (city or town and State) of both the consignor and consignee, the quantity in gallons, and the formula number of the completely denatured alcohol.

(Approved by the Office of Management and Budget under control number 1512-0337)

§ 20.143 Receipt.

Unless completely denatured alcohol received in bulk conveyances or by pipeline is to be used immediately, it shall be deposited in storage tanks, stored in the tank cars or tank trucks in which received, or drawn into packages which shall be marked or labeled as required by this subpart.

§ 20.144 Packages of completely denatured alcohol.

Packages containing more than 5 gallons of completely denatured alcohol shall be of metal or other equally suitable material approved by the appropriate TTB officer. The openings of these packages shall be sealed with ap-

propriate seals furnished by the person filling the packages.

§ 20.145 Encased containers.

Completely denatured alcohol may be packaged by distributors in unlabeled containers which are completely encased in wood, fiberboard, or similar material so that the surface (including the opening) of the actual container is not exposed. When completely denatured spirits are packaged in unlabeled containers, the distributor shall apply the required marks or label to an exposed surface of the case. The case shall be so constructed that the portion containing the marks will be securely attached to the encased container until all of the contents have been removed. A statement reading "Do Not Remove Inner Container Until Emptied," or words of similar meaning, shall be placed on the portion of the case bearing the marks.

§ 20.146 Labels on bulk containers.

(a) Completely denatured alcohol in bulk containers with a capacity exceeding 1 gallon shall be labeled on the head or side of the container or on the side of the casing, with the following:

(1) The name and address of the person filling the containers;

(2) The contents in gallons;

(3) The words "Completely Denatured Alcohol"; and

(4) The formula number.

(b) Packages of 5 gallons or less shall bear labels required by § 20.147, in lieu of the labels required by this section.

(c) The letters and figures used for marking packages shall be large enough to be easily read and, when printed, labeled, or stenciled, shall be in permanent ink and shall contrast distinctly with the background to which applied.

(d) Packages may also be marked with the brand name and a statement to the type of merchandise contained in the package if these markings do not obscure or detract from the required markings. The person filling the packages shall maintain the record required by § 20.261.
